

**CHILD SUCCESS  
FOUNDATION**

3<sup>rd</sup> ANNUAL  
“Outside  
the box”  
CHILD  
Corporate Sponsorship Opportunities

Some children seem to struggle more than others in seemingly “ordinary” circumstances, leaving parents and educators who want to help, confused and frustrated. What is an “outside the box” child? What can be done to help this child navigate life more smoothly?

On September 28th, 2019, the Child Success Foundation will hold its third educational conference focusing on the “Outside the Box” child.

The educational conference supports CSF’s mission of expanding awareness in the community about the developmental and learning challenges that children face and how to address them.

The conference will be attended by professionals in the fields of education, psychology, social work, occupational therapy and speech therapy as well as parents and caregivers.

All corporate sponsors have the opportunity to provide their own marketing materials for the conference gift bag. In addition, all corporate sponsors will be featured on the Child Success Foundation website at the appropriate level with a link to their website. We are looking for event sponsors and hope you will consider one of the following levels of sponsorship:

**Angel Donors \$5000**

Recognition from the host during opening speech  
Company logo placement on all marketing materials  
Company logo featured in 2 conference social media posts  
Full page ad in conference program  
Large logo on welcome signage  
5 conference tickets

**Change Makers \$1500**

Company logo placement on all marketing materials  
Company logo featured in 2 conference social media posts  
Medium logo on welcome signage  
Half page ad in conference program  
2 conference tickets

**Child Advocates \$750**
